Analysis

Current Law: Maryland’s 23 counties, Baltimore City, and the City of Annapolis all have boards of license commissioners who issue and enforce retail alcoholic beverages licenses in their jurisdictions. Each license authorizes the sale of alcoholic beverages in a different manner. The Anne Arundel County Board of License Commissioners issues several licenses for specific types of organizations and venues, including country club licenses, yacht club licenses, and country and golf club licenses, among others.

Chapter 551 of 2020 established the barbershop and beauty salon beer and wine license in Anne Arundel County. The board may issue the license to the holders of specified beauty salon or barbershop permits. A license holder may provide up to 12 ounces of beer or 5 ounces of wine by the glass for on-premises consumption only while performing activities generally related to beauty salons or barbershops or while the customer is attending a fund-raising event at the barbershop or beauty salon. The license holder may provide beer and wine for on-premises consumption during normal business hours but not after 9:00 p.m. The annual license fee is \$100.

Additional Comments: Anne Arundel County advises that there currently are two active barbershop and beauty salon beer and wine licenses in the county.
