House Bill 1381

(Delegates Guyton and Lewis)

Environment and Transportation

Judicial Proceedings

---

**Vehicle Laws - Stopping, Standing, or Parking in a Bike Lane or Bicycle Path -  
Prohibition**

---

This bill prohibits a person from stopping, standing, or parking a vehicle in a bike lane or bicycle path, unless authorized by a local jurisdiction. However, this prohibition does not apply to (1) an authorized emergency vehicle; (2) a transit vehicle; (3) a vehicle picking up or discharging individuals with disabilities; (4) a vehicle that has become so disabled while on the highway that the driver cannot avoid stopping and temporarily standing or parking the vehicle; (5) subject to specified requirements, a vehicle while loading or unloading goods for pick up or delivery, if no other parking space, shoulder, or other curb space is available on the block; and (6) a vehicle associated with construction or maintenance activities in or adjacent to the right-of-way. A person who violates the prohibition is guilty of a misdemeanor and is subject to a maximum fine of \$500 (the general penalty for violations of the Maryland Vehicle Law).

---

**Fiscal Summary**

**State Effect:** The bill is not anticipated to materially affect State finances or operations.

**Local Effect:** The bill is not anticipated to materially affect local government finances or operations.

**Small Business Effect:** None.

---

**Analysis**

**Current Law:** Except as necessary to avoid conflict with other traffic or in compliance with law or the directions of a police officer or traffic control device, Maryland law

prohibits stopping, standing, or parking a vehicle in/on specified places, including but not limited to (1) an intersection; (2) a crosswalk; (3) a sidewalk; (4) a bridge; (5) a highway tunnel; or (6) a place where stopping is prohibited by an official sign. A violation of any of these prohibitions is a misdemeanor subject to a maximum fine of \$500. The District Court has established a prepayment penalty of \$60 or \$70 for these violations.

“Bike lane” means any portion of a roadway or shoulder designated for single directional bicycle flow. “Bicycle path” is defined as any travelway designed and designated by signing or signing and marking for bicycle use, located within its own right-of-way or in a shared right-of-way, and physically separated from motor vehicle traffic by berm, shoulder, curb, or other similar device.

“Vehicle” is defined as any device in, on, or by which any individual or property is (or might be) transported or towed on a highway. “Vehicle” includes a low-speed vehicle and an off-highway recreational vehicle, but it does not include an electric personal assistive mobility device or a personal delivery device.
