Analysis

**Bill Summary:** “Confederate name” means any name that commemorates or references any aspect of the states in rebellion, operating as the Confederate States of America (CSA), from 1861 to 1865 or any person or entity that served voluntarily with or on behalf of CSA in any military or civilian capacity. “Political subdivision” means (1) a county; (2) a municipal corporation; (3) an unincorporated town; (4) a school district; (5) a special district; or (6) the Maryland-National Capital Park and Planning Commission. “State entity” includes all units and agencies with the Executive, Legislative, and Judicial branches of State government.

**Current Law:** There is no relevant State law regarding the prohibition or renaming of real property referencing CSA.

The Commission on the Naming of Items of the Department of Defense that Commemorate the Confederate States of America or Any Person Who Served Voluntarily with the Confederate States of America (Naming Commission) was established following the enactment of the federal fiscal 2021 National Defense Authorization Act. Among other things, the Naming Commission was tasked with creating a list to identify specified names and information within the U.S. Department of Defense that commemorate CSA or any person who served voluntarily with CSA, including names, symbols, displays, monuments, or paraphernalia that commemorate CSA. The Naming Commission published three reports and they can be read [here](#).
